Returning back to school again...need to sell.

Very well cared for vehicle. Maintained with synthetic blend oil and other high grade maintenance products per schedule. Extremely clean, one owner. Does have a recent incident on history as of this year. Incident occurred within one stop light town, city limits and while the school buses were out. It was not a high speed impact situation. Will gladly provide necessary information so full history can be you can verify full history on car. This car has bluetooth, moonroof, i-MID display, and many other great options. Serious inquiries only, please. Please email with questions and if you would like we can set up a time to meet for you to check out the car. My time is limited, as I'm sure yours is as well. We look again for only very serious interested parties to make appointments. Cars for sale.
